PETITION: THREAT TO LIFE.

Goodday Sir,

My name is Francis Mok. I'm a Landlord at 12 Tanimowo Street, Off Ishaga Close, Mushin. Lagos .Nigeria. I write to report the Threat to my life by Gabriel, the mentally-unwell son of Grace. (A lady to whom my late father was a guardian).

Gabriel is very violent. In his episodes of madness. He has attacked my brothers wife (Pat, a lady of 50+) & others, who were lucky that I was around, with my staff...giving her several slaps etc. My intervention stopped the attack from being escalated. It would have been another issue.He has on another occasion started banging all the doors & gates in the house. Even our neighbors are aware. I have evidence of this & will make it available on request. The worst part of everything is that, grace his mother is married. And her husband is alive & currently living in Edo state. A place he just relocated to.

Rather than for the Father(Mr Aku) to take his son along, so they can proffer solutions to his condition. He sent his son to my house. In care of my junior brother (John: 080-3696-2137) & mother, an aged woman of over 70years. Who is barely able to care for herself. Not to talk of withstanding a violent young-teenager, like Gabriel..with a medically-confirmed case of insanity. Abandoning his parental responsibilities, while exposing us & others to danger.This is just the height of wickedness & irresponsibility. And I will not accept it..

He is a dangerous person & a threat to me, my tenants, clients, visitors, my properties and others.. I want him removed from my house & reunited with his father in his current location, in Edo State immediately. As I will not be held responsible or hesitate to defend myself my properties & concerns..against Gabriel or anyone..who threatens my life, or my peace..in my house.

His Father (Mr Aku) & Mothers (Grace Aku): phone-numbers are:Mr Aku: 080-6646-6959, 070-1307-8462. Grace Aku: 070-6646-6959, 081-4306-0590, 070-8154-3830, 080-6701-5344, 070-5121-4831

In Anticipation Of Your Urgent Intervention,
I say thank you

Francis O Mok
Landlord: 12 Tanimowo Street, Off Ishaga Close, Mushin. Lagos Nigeria

NB: I have informed John, that he and Mr & Mrs Aku (the boys parents), would be held responsible & accountable for any & all wrongdoings of Gabriel.
